A complete answer to the following questions will enable us to be more familiar with your request and requirements, and will help us find the rescue dog to match your needs and expectations.

Do you own or rent your home?

If rent, please list the Landlord's name and phone number:

Do you have the permission of your landlord to have a dog?

Up to what size?

Why would you like to foster a dog?

Do you have specific requirements regarding dogs you wish to foster (i.e., size, breed, sex, good with children, etc.)? (If you have any special requirements or requests for a dog, please let us know so that we can more carefully match a dog to your lifestyle):

Would you consider fostering a Special-Needs Rescue Animal such as one who requires medication for a permanent but controlled condition?

Do you have any children, currently expecting a child or planning for a child?

If yes, please give their ages (Please note that we try to be as careful as we can when placing dogs in homes, especially when children are present, but we often have limited information regarding a rescue animals history or temperament).

Does anyone in your household have allergies to dogs?

May we visit your home prior to application approval (by appointment)?

Do you currently have other animals?

If yes, please list type of animal, age, and sex.

If you have other pets, have they ever been around other animals?

Do they get along with other animals?

Do your pets have any characteristics that we should be aware of that would affect an animal coming into the home (i.e., is your pet aggressive toward other animals, etc.).

Where will the dog be during the day?

How many hours will this pet be alone during the day?

Where will the dog be at night?

Is your yard fenced in?
