Restrictions: Please, just pictures of pets. No people in the pictures. No hunting pictures showing the end results, and no commercial messages. While we recognize and honor our true hunters and working dogs doing what they were bred to do, many people are not prepared for what can be graphic photos. We also ask for no people as a safety measure to help protect children from those who would prey on them. Thank you for your understanding and cooperation with these restrictions.

Rescue of the Month (continued from page 2)

Hi! Don't you just love my funny little smile and big beautiful ears? My name is **Ladybird**. I was named after a first lady because my foster mom thinks I am! I'm a petite 5-pound, 8-year old, female Chihuahua. I'm a super duper friendly and a happy little girl. I'm black and tan with big beautiful soulful eyes! I came from a place where I had lots of babies and they didn't protect me from fleas so I had very itchy skin. BUT now that horrible life is behind me, I'm looking forward to a warm and comfortable life with you!

I had double knee surgery to fix luxating patellas in early October 2017. I had a mammary tumor removed, a dental where I lost teeth, and a mast cell tumor removed from under my tail. I'm all healed now BUT you'll need to make sure that if I have new lumps and bumps, these have to be checked out by a vet. I have to tell you that I feel pretty wonderful now!!! Oh...and about not having many teeth left...I don't have any trouble eating dry kibble! I'm doing great with my housetraining - I don't mind going outside to potty but will use a pee pad if it's cold and rainy outside.

My new home should have another little friendly dog buddy for me to hang with and maybe I can clean their ears! I like that job and feel it's my duty to keep all critters nearby clean, EXCEPT THE CATS!!! I would rather not have to share my life with cats. Sometimes I get a bit too intense about keeping other dogs' ears clean so my foster mom has to tell me to stop and I do because I'm a very good little girl. I like toys, playing with other little dogs, and sleeping on the sofa. I sleep just fine in my crate at night. Because I'm a petite little girl, the children in my forever home need to be at least 12 years old. I have a voice and I'm not afraid to use it so I would not be a great dog for an apartment. But if you don't mind being reminded when it's time for my meals, or sharing your lap, love and sofa with a sweet little Chihuahua girl, please let my friends at SBRET know! I've got some serious loving to do and there is no time like the present! I have been spayed, microchipped, up-to-date with my vaccinations, and on monthly heartworm and flea prevention. My adoption fee is \$175. I love you already!

Love,
Ladybird
