**Small Dogs...Big
Attitudes!!!**

Small Breed Rescue of East Tennessee, Inc. (SBRET) is a non-profit organization dedicated to finding forever homes for displaced or abandoned small breed dogs. We are also dedicated to educating the public about pet overpopulation, the benefits of spaying/neutering, and the horrors of puppy mills. SBRET is desperately in need of volunteers and donations. If you are interested in helping in any way, please contact us !

Special Thanks !!

SBRET has been the recipient of MANY generous donations. There are too many to list everyone individually, but please know that we are in the process of updating our webpage in an attempt to thank everyone! So keep an eye out for that!

In the meantime, we would like to send out a general thank you to everyone that has helped us in SO MANY ways. We of course have to personally thank the staff at **Jackson Square Animal Clinic in Oak Ridge TN**, as well the staff at the **Anderson County Animal Hospital in Clinton Tennessee**. Without their willingness to treat our rescues at reduced prices, and perhaps more importantly, allow us to run a "tab", we could not continue to rescue these precious pups!

We would also like to offer a special thanks to **Linda at Pet-Safe Village**, who has groomed several of our rescues at reduced prices, and even some for free!

Also, we absolutely have to thank **Carmen Trammel and Peaceful Kingdom**, for their continuing support and willingness to post our rescues, at no charge, in **Critter magazine**.

And of course we must thank **Pam**, for her artistic skill and devotion to updating our website!

In addition to these businesses and individuals, whose contin-

ual support keeps us going, there are MANY individuals who have generously donated either their **time, money, or much needed rescue items** to support us! Again, because of space limitations (and our great fear of leaving someone out) we have decided here to list the types of donations that have been received. These donations have included **monetary donations**, such as contributions to the **Max Fund** (\$500 in total was raised), donations to the **Sugar Fund** (over \$200 to date), and **general monetary donations** to our rescue. We have also received **donated items**, such as: art auctioned on Ebay, crates, food, a phone card, gates, collars, leashes, toys, and even pet clothing such as jackets!

Of course we cannot forget the constant and continual donations of **people's time**—without this we would never make it. First of all, a VERY SPECIAL thanks goes out to our **foster homes!** Without fosters, there would be no rescue. Also, **volunteers** have helped transport dogs, participate in adopt-a-thons, drive all over the state (and beyond) to conduct home visits, answer phone calls and emails, and many other behind the scenes tasks that have to happen in order for us to survive! **Thanks everyone!**

THANKS!
